

Three Rivers Community Action Presents:

# CREATE YOUR OWN HEALTHY HOME

Part of the Home Matters Seminar Series

---

Radon, Lead, and Mold, Oh my! Do you know how these affect your health? Specialists discuss ways to protect your home from these covert killers. Free **radon test kits** and mold remediation tips.

**TUESDAY, APRIL 27**

5:00 - 7:00 pm

5:30 • **Minnesota Department of Health** • Radon Risk

5:45 • **Sustainable Resource Committee** • Likelihood of Lead

6:00 • **Jeannie Kanter, RN, CNP** • Asthma Symptom Reduction

---

311 Cherry Street Northfield, MN 55057

The Home Matters project is about stabilizing neighborhoods affected by foreclosure and creating healthy, affordable, and energy efficient housing opportunities. 311 Cherry Street is our newly-completed model home, filled with healthy and green technology. See the difference for yourself!
