

## 2009 Council Vision Statement and Goals

### **Vision Statement:**

Northfield values its unique heritage as a mill and college town, and will reflect its community identity by preserving its historic and environmental character and enhancing its citizen's quality of life.

### **Council Goals**

1. Council will implement effective methods of communication with citizen advisory groups and community.
2. Council will build a foundation for a vibrant community where resources are carefully managed and preserved and which integrates economic, environmental and community values for long term success.
3. Council will improve city facilities to ensure excellent service to our citizens within the financial limitations of the city.
4. Council will implement a systematic approach to problem solving and decision making.
