

Rules:

1. All Dogs must be vaccinated for Bordetella (kennel cough which is NOT part of the usual vaccination battery), Distemper and Rabies.
2. A liability waiver must be signed prior to entering pool area.
3. "1-And-Done": No aggressive dogs are allowed. One act of aggression and the dog must be removed. Owners are expected to control their dog's
4. Humans are NOT allowed in the water.
5. Dogs must arrive at the pool on-leash. They may be released to play once inside the pool area. Due to the large number of dogs and humans together, dogs will need to be leashed when not in the water area.
6. Please pick-up all feces immediately. Bags will be available if needed.

On the day of the dip, the pool is all about the dogs. You can bring your family dog(s) to the pool and let them swim with other social dogs in an off-leash environment. The pool is fenced in so all the dogs can be off leash to play in the pools. We will have the kiddy pool available for puppies and small dogs as well. Bring your fetch and water toys and get ready for some fun!
