

City of Northfield Contacts

The following is a list of City Departments that may be helpful in a flood or flood emergency

Department/Division	Phone	Service Provided
General Flood Information	507-645-3080 Floodinfo@ci.northfield.mn.us	For general flood questions and updates the community may use the flood hotline or the City's flood information email. Emailed questions will be addressed as soon as possible during normal working hours. The flood hotline will be used in conjunction with the CodeRed service. If the City feels there is pertinent information regarding flooding potential, however there is not an emergency, the hotline will be updated.
Police (Non-Emergency)	507-645-4477	Non-emergency public safety calls for service/traffic control. Note that after hour calls will be forwarded through a dispatch service.
Public Works/ Engineering	507-645-3020	Flood plain maps, general stormwater and flood information.
Public Works/ Street Shop	507-645-3045	General contractor and supplier information
Building Inspections	507-645-3004	Post flooding occupancy approvals/home repair consultation.
Volunteer Coordination	507-581-3017 Candy@5thbridge.org	The City of Northfield is working with the 5th Bridge organization and Northfield.Org to coordinate volunteer efforts. If you are in need of volunteers to help with flood control efforts please contact Candy via phone or email or visit Northfield.org.
	https://cne.coderedweb.com/	The CodeRed system, through the 911 dispatch, calls those registered to inform them of an emergency situation. Property owners that potentially could be impacted by an emergency flood event are encouraged to register.
