

**Golf Course & Parmeadow
Ponds 1 & 3 Dredging
Project Update**

December 18, 2020

Project Update 12/18/2020

Construction crews continue to be on site daily completing pump maintenance and monitoring the dewatering operation. This week the contractor worked on completing the construction access ramp to pond 3. For the week of the 21st the contractor plans to work on site deliveries and set up the staging area. Pond dredging is expected to begin the week of January 4th.

Questions/Concerns?

Cole Johnson with the City of Northfield is the Resident Project Representative for the Golf Course & Parmeadow Ponds 1 & 3 Dredging Project. Cole can be contacted at (507) 645-3071, or by email @ cole.johnson@ci.northfield.mn.us for any questions regarding the construction project.
