7. Additional Design/Engineering Professional (if applicable)

Name:	Role in Project:		
Company:			
Street:	City:	State:	Zip:
Business Telephone:	Fax:		
Email:			

8. Historic Preservation Site Designation

The process of designating an area within the City as a Heritage Preservation Area requires extensive property research, inventory and analysis to establish the property's significance. The Minnesota State Historic Preservation Office (MSHPO) has specific requirements and offers assistance in completing the site designation nomination process. You will find this information at: www.mnhs.org/shpo.

1) Site Designation Requirements

Applicants must complete the MSHPO nomination form. This information will be reviewed by MSHPO staff and presented to the Minnesota Historical Society's State Review Board. IF the board concurs that the nominated property meets the National Register of Historic Places criteria, the nomination is sent to the State Historic Preservation Officer for signature and then to the Keeper of the Register at the National Park Service in Washington, D.C., for final review, approval, and placement on the National Register.

2) Qualifying for the National Register of Historic Places

The National Register of Historic Places includes districts, sites, buildings, structures, and objects that are historically, architecturally, archaeologically, or culturally significant; criteria used to evaluate historical significance includes:

- Association with events that have made a significant contribution to the broad patterns of our history.
- Association with the lives of significant persons.
- Embodiment of the distinctive characteristics of a type, period, or method of construction, representation of the work of a master, possession of high artistic values, or representation of a significant concentration of resources whose individual components are united historically by function or plan.
- Possession of information important to prehistory or history.

For further information, please contact the Minnesota Historic Preservation Office at:

Escrow Acknowledgment

It is City policy to have all costs associated with the review of land use applications reimbursed by the applicant. The escrow fee must be submitted along with the application. The escrow fee covers all staff time and outside service costs that are incurred in reviewing the application.

The applicant must submit the required escrow before the City will begin the review of the application. The City will reimburse itself from the escrow deposit for all costs incurred in reviewing the land use application. If there is deemed to be an inadequate balance in the escrow account to pay for all review costs, the City will notify the Contact Person listed on the application form of the need for an additional escrow deposit. **If needed, this additional escrow deposit must be made before review of the application will continue.**

Any balance remaining in the escrow account will be reimbursed to the applicant upon the occurrence of any of the following events: (1) Issuance of a Zoning Certificate of Approval; (2) the application is withdrawn by the applicant; or (3) the application is denied by the City for any reason. The City is not responsible for paying interest on the escrow funds deposited as part of the review of the land use application.

By signing this agreement, the property owner, applicant, and contact person acknowledge that additional escrow fees may be necessary, and that this additional escrow fee will be submitted to the City before the review of the land use application continues.

Notice

Review of a Land Development Application and the decision to approve, approve with modifications, or deny the application will be based on the standards and criteria found the Northfield Land Development Code. These standards and project review criteria reflect the Comprehensive Plan of the City of Northfield, and stipulate the minimum and/or maximum requirements necessary to safeguard public health, safety, aesthetics, and general welfare.

Approval of this Land Development Application does not absolve the applicant from obtaining all other applicable permits, including but not limited to, stormwater management permits, building permits, Minnesota Department of Transportation access permits, and/or other applicable permits and approvals.

I (We) certify that I (we) have submitted all the required information to apply for approval of a Land Development Application and that the information is factual.
