### Escrow Acknowledgment

It is City policy to have all costs associated with the review of land use applications reimbursed by the applicant. The escrow fee must be submitted along with the application. The escrow fee covers all staff time and outside service costs that are incurred in reviewing the application.

**The applicant must submit the required escrow before the City will begin the review of the application.** The City will reimburse itself from the escrow deposit for all costs incurred in reviewing the land use application. If there is deemed to be an inadequate balance in the escrow account to pay for all review costs, the City will notify the Contact Person listed on the application form of the need for an additional escrow deposit. **If needed, this additional escrow deposit must be made before review of the application will continue.**

Any balance remaining in the escrow account will be reimbursed to the applicant upon the occurrence of any of the following events: (1) Issuance of a Zoning Certificate of Approval; (2) the application is withdrawn by the applicant; or (3) the application is denied by the City for any reason. The City is not responsible for paying interest on the escrow funds deposited as part of the review of the land use application.

***By signing this agreement, the property owner, applicant, and contact person acknowledge that additional escrow fees may be necessary, and that this additional escrow fee will be submitted to the City before the review of the land use application continues.***
