I the undersigned understand that if this winter parking permit is issued for my vehicle(s), that I must remove my vehicle and cannot park it on any street within the City of Northfield in the event of a declared snow emergency and that I cannot park on a city street until the street is plowed curb to curb. I also realize that if my vehicle is ticketed and towed because I fail to remove my vehicle that I am responsible for paying the tow bill and any parking tickets prior to my vehicle being released. I understand snowplowing emergencies normally will be announced on KYMN radio and on the city's website before 5:00 p.m. Information is also available on the City of Northfield snow emergency hotline (507)-645-3080.
