

CITY OF NORTHFIELD RAIN BARREL REBATE INFORMATION

THE CITY OF NORTHFIELD is awarding a \$20 rebate for a limited number of rain barrels in an effort to increase water conservation and reduce stormwater runoff. Rain barrels can be placed under a roof downspout to collect stormwater runoff that can be used for watering your garden. The rebate will be offered as one-time \$20 credit toward applicant's utility account. This program is available to all property owners in Northfield city limits. This program is funded through Stormwater Utility Fees.

REQUIREMENTS:

- Applicant must have a utility account with Northfield Public Services
- Rebate valid only for rain barrels that are least 40 gallons in size.
- Limit of 3 rain barrel rebates per utility account.
- Rain barrels purchased or installed before the start of the rebate program are not eligible.
- Copies of receipts for rain barrels and/or materials must be submitted to receive a rebate. If applicant builds own rain barrel, rebate may be used for materials.
- A picture of the installed rain barrel must be submitted to be eligible for a rebate.
- Application must be completed and submitted in its entirety to be eligible for a rebate.
- Applicant, if selected for random inspection, agrees to allow inspector access to the premises in order to verify installation.
- Due to limited funding, this rebate can be withdrawn at any time without notice.
- Rebates will not exceed the purchase price
- Applications will be processed on a first come, first served basis.
- All applications from the previous year's purchase must be received by March 31.
- Return the Application Form and required documentation to:
