## 1.01 BANNER POLICY

### A. PURPOSE

The purpose of this policy is to have uniform criteria related to the creation, placement, artistic design and costs related to the installation of the City’s Banners. At present, banners exist on City owned light poles with the Public Right-of-Way; this policy may also apply to future banner installations on City-owned light or utility poles. Banners are temporary display, and not intended to introduce or promote a particular branding element in Northfield. It is not the purpose of this policy to allow for changes to City logos or City-identified branding through this policy.

The objective for the Banner Policy in Northfield is to add color and excitement to the City streetscape, promote activities happening within the City, and to create a sense of place. The banners will be used to accentuate the aesthetic appeal, especially as it relates to the qualities of hospitality and welcome in Northfield. Banners are to be used for noncommercial and nonpolitical purposes only.

#### **D. REPLACEMENT OF EXISTING BANNERS & NEW ARTISTIC BANNERS**

The City has established an “Art in Public Places Policy”, adopted per City Council Resolution 2017-073 on September 19, 2017. While banners may not be considered public art, the "Art in Public Places Policy" provides a framework and process for deciding banner decisions, and the Arts and Culture Commission (ACC) provides a sustainable city entity to facilitate the process. Any proposed changes or modifications to the existing banners, and any new banners need to comply with the following:

1) Process Approval

- Proposed new designs of the banners shall be reviewed by a Public Art Review Committee (PARC) selected for the purpose of banner approvals.
- A member of the Historic Preservation Commission (HPC) will be invited to serve on the PARC for any banners under consideration in the Historic district of downtown Northfield
- The PARC shall advise the ACC on recommendations for a new or modified banner. ACC shall make the final decision of the design of the new or modified banners, based on the recommendations of the PARC group.
- After ACC approval there will be a period of 2 weeks for public comment through the City website and City social media outlets.

2) Artistic Standards

- In the case of a significant modification to the design of the Holiday, Standard, Defeat of Jesse James, St. Olaf and Carleton College banners, The PARC Group will determine through the PARC process the scope parameters, including design guidelines, materials used, and size of banners, for instance. These parameters will be documented through the PARC process, and are not included as Policy in this document.

3) Approval of Additional Banners

- The addition of hanging banners beyond the five existing banner types including Standard, Holiday, Defeat of Jesse James Days, St. Olaf and Carleton Colleges shall be approved by the Northfield City Council.

4) Sponsorship of Banners

The Policy will be reviewed periodically. Any review will consider comments and complaints since the last review and any factors affecting the Policy or its implementation.
